Dear Mr. Seaborg:

This is in response to your letter of January 3, 1980, addressed to O. G. Linde, concerning the American Hiking Society's interest in utilizing a portion of Southern Pacific Transportation Company's Walnut Grove Branch for a Cross Country Hike.

Mr. Linde has asked that this office work out this matter with you.

The Railroad has no objections to allowing this use of the property under the following conditions:

1. As noted on the attached right-of-way and track maps Nos. V-111, 1 through 3, the right-of-way can be used from Freeport through to Front Street shown as Front Street PUC #AU 90.5. From this point is an easy walk along Front Street to Old Sacramento.
2. That your group furnish proof of insurance to the Railroad in amounts not less than \$300,000/\$750,000 bodily injury and \$100,000/\$100,000 of property damage.
3. In consideration of this license, the licensee to pay the Southern Pacific Transportation Company \$75 to partially defray the cost of documentation and paper work by the Railroad.

If this meets with your approval, please advise and I will take the necessary steps to complete this matter. In the interim, if you should have any questions, please contact Mr. W. B. Curtis of my staff on Extension 22344.

Very truly yours,

R. E. MEBICK

Dear Jim:

I am enclosing a letter from the Southern Pacific Land Company granting permission for HikaNation to use the abandoned Southern Pacific railroad tracks from Freeport to Front Street in Sacramento on Day 11 (Tuesday, April 22) subject to the three enumerated conditions. I will take care of Condition 1 but I guess it is up to you and the American Hiking Society's officialdom to take care of Conditions 2 and 3.

I am also enclosing a heartwarming resolution of the Board of Supervisors of Yolo County concerning Days 10 and 11.

It was good to see you at the meeting at Mike McReynolds' home on Monday night which I think was very useful.

Cordially,

Glenn T. Seaborg
