

The Rescans for Greg (first)

followed by

"Some of the rescans were renamed and then used in various locations"

Friday morning before 04/12/2022

jpeg's not altered -- sources not here or sources on cd
(SBH and RH's returned to terry)
(8x10's of McReynolds to exhibit)
(other McReynolds submitted via cd)
(PICT are from Jim L and in cd)

tried to do redo squigs -- unable to correct
--cannot use my software to repair--it repairs but then exports in 72dpi
instead of 300dpi
37-1980-08-28-heavy -- unable to undo during rescan
38a-1980-10-16-frontstreet2 -- unable to undo during rescan
39-1980-10-18-kansaswindbreak -- unable to undo during rescan
47-1981-01-15-illinoiscanoeriver -- just cropped
49-1981-02-05-kentuckyroadhike -- no need to do -- very minor
51-1981-03-21-virginiatrimpi4 -- slide damaged, unable to correct
54-1981-05-09b-marylandwarning -- minor, could crop, no need to do
57-1981-05-13-wmonument4 -- minor, hardly noticeable, no need to do

list of photos, dates, locations, names, photographers
by Sunday afternoon or the latest monday morning

#22 seaborg and group should be #17 since they are near fremont exit

mention
AHS Kern, Pritchard, Kemsley

Mike McReynolds, Gee & Seaborg
Paula Guerrein
Reese Lukei, Jr.

2. revising some individual pages but without larger images to add...
pages being revised already have extra content to them...
some widths to 840+ instead of 950
