Rain Bottom—Nylon

For all over protection nothing goes with our nylon Rain Top quite like our nylon Rain Bottoms. Made with urethane coated nylon, the Rain Bottoms are lightweight, compact and offer complete protection and comfort.

Our Rain Bottoms are cut full to prevent a feeling of constraint which might result when wearing long underwear, wool pants, and rain pants. They have a canvas lined waist band with adjustable velcro closures on each side, two back patch pockets, and two side slits for access to pants' pockets.

The legs are cut wide enough to allow you to pull the Bottoms on even over hiking boots.

For lightweight protection from head to toe try THE NORTH FACE Rain Suit, Tops and Bottoms.

THE NORTH FACE FULL WARRANTY

All North Face products are fully warranted to the original owner against defects in materials and workmanship, except as qualified below*. If a product fails due to a manufacturing defect, even after extended use, we will repair the product without charge, or replace it at our option.

Repairs due to accident, improper care, or negligence, where we are not at fault, will be performed for a reasonable charge. Please return the product to your nearest dealer, or to The North Face Repair Department, 1000 Harrison Street, Berkeley, California 94710.

California state law requires that sleeping bags accepted for repair be clean; there is a \$6.50 charge for cleaning when a dirty bag is repaired.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

*North Face products insulated with Celanese Fortrel® PolarGuard® or constructed with GoreTex® laminate fabrics will provide many years of service if properly cared for. However, the useful life of these materials is not yet known. Therefore, The North Face warrants the loft and durability of PolarGuard® and the waterproof function of GoreTex® for three years from the date of manufacture. All other components of PolarGuard® and GoreTex® products (zippers, snaps, etc.) are covered by the full warranty above.
